

**BICT- Level 1 – Semester II**  
**Server-Side Web Development– ICT1233**  
**Practical 1**

---

**Objective: Revising HTML knowledge**

**Developing web pages using HTML tags**

**Instructions**

Download the resource files from TECLMS

Make a folder in the desktop using your index number

Use **Notepad++** editor for HTML coding

1. Create a web site for the “Sports for Life” sports club, using the following instructions
  - a. Create the home page (***index.html***) with following information
    - i. Add the title “Sports for Life”
    - ii. Add the heading “Sports for Life Sports Club”
    - iii. Add the “sp1.jpg” image after the heading (height: 200px, width: 200px)
    - iv. Add the given below paragraph in the page

Sports clubs range from organizations whose members play together, unpaid, and may play other similar clubs on occasion, watched mostly by family and friends, to large commercial organizations with professional players which have teams which regularly compete against those of other clubs and attract sometimes very large crowds of paying spectators. Clubs may be dedicated to a single sport or to several (multi-sport club).

- v. Add the following table in to the page

<b>Pages</b>	<b>Details</b>	<b>Links</b>
Contact details	Location, Important telephone numbers	Contact us
Facilities	Facilities provided by the club	Facilities

Texts in the Link column should direct to the appropriate page through a hyperlink, after completing the practical

- b. Create the contact details page (***contacts.html***) according to the following instructions
          - i. Add the title “Contact details”
          - ii. Add the image “map.jpg” (height: 350px, width: 500px)
          - iii. Add the following telephone numbers as a list

- Coordinator: Mr. John Peter
  - +61771234567
- Instructor: Mr. Cleark Smith
  - +61771234511
- Instructor: Mr. Kevin Peter
  - +6177123123

- c. Create the facilities page (*facilities.html*) according to the following instructions
- i. Add the title “Facilities”
  - ii. Add the heading, “Facilities Provided by the Club”
  - iii. Add the facilities as given in Figure 3
- d. Specific requirements
- i. Contact details and facilities pages should refer to home page (index.html) using a button called “Home” at the bottom of each page
  - ii. Create an external CSS to provide all pages with a common presentation.(including the homepage)
  - iii. The CSS should control at least five styles in each page.(eg : font size ,font type, background color..etc)

Note: All pages should refer to the same external CSS
